

Sunday October 10 at St. James Carleton Place

The Tempestry Project is the first of three artistic events taking place in the Parish of Mississippi Lake this fall, collectively entitled **By Hand**.

The other two events

Kaleidoscope Quilts (Christ Church Ashton, Oct 23, 9:30 am-noon)

Fibre Arts with Jen&Emily (St James, Franktown, Nov 6, 2-4 pm)

take place on Saturday and are open to the public.

The Tempestries are making their debut during the worship services at St. James Carleton Place (StJCP) on October 10, Thanksgiving*. Canon Mary Ellen Berry will be talking about the Tempestry Project during her sermon, and will give you an insight into what prompted their creation and what that experience was like for the six women that created them.

Canon Mary Ellen will also make reference to the two other **By Hand** events, which are:

- *Kaleidoscope Quilts* (Christ Church Ashton, Oct 23, 9:30 am-noon)
- *Fibre Arts with Jen&Emily* (St James, Franktown, Nov 6, 2-4 pm)

These events take place on Saturdays and are open to the public (rules permitting).

The Tempestry Project is on display in the StJCP Church Hall, and will be travelling to other places in the local community.

*You can listen to Canon Mary Ellen's sermon at any time, because the 10 am service at StJCP is live-streamed and archived on YouTube. (Link to YouTube from the StJCP website: <http://stjamescarletonplace.ca/>).
