About the Projects

The Tempestry Project was a collaborative knitting project undertaken by 6 parishioners from St. James, Carleton Place in 2020. Learn more about the Tempestry Project world-wide: <https://www.tempestryproject.com>

Kaleidoscope Quilts is a continuing project by Toronto artist and speaker Sharon Zagrodney. Sharon facilitates conversations on small churches, and on art and spirituality. Follow Sharon on Twitter @SZagrodney

Jennifer and Emily Derstroff are a mother and daughter duo who have a passion for the fibre arts. In recent years, they have shared their love of the fibre arts with fellow parishioners and community neighbours during workshops they facilitated at St. James Franktown.
